MT. VERNON MAN HURT IN NEWARK

Chas. Myers Knocked Down By Automobile And Sustains Broken Leg

Charles Myers, son of E. W. Myers, 610 East Gambler street, Mt. Vernon, was severely injured Saturday evening when he was run down by a Ford automobile on Hudson avenue, Newark, Ohio.

According to a message to The Banner from the Newark Advocate, Myers was crossing Hudson avenue, near Oak street. Myers and his companion did not see the approaching car until it was upon them. Myers was knocked to the pavement and sustained a compound fracture of his right leg. Myers' companion was uninjured. The driver of the Ford car did not stop after striking the man, but turned off on Hudson avenue into Oak street and fled in the darkness.

Mr. Frank A. Woolson, city editor of The Newark Advocate, formerly of Mt. Vernon, was one of the first to reach the injured man, as the accident occurred in front of his home. Mr. Woolson assisted in placing Myers into an ambulance which removed him to the Newark sanitarium, where he received surgical attention. On Sunday afternoon Myers was removed to his home in Mt. Vernon in Criss Brothers' ambulance.

It is understood that there is some reason, from the nature of the injury, to fear infection. Tetanus antitoxine was administered by Dr. S. E. Deely Monday afternoon as a means of staying off any possible complication of the description given.

COLDS

"Pape's Cold Compound" Breaks any Cold in Few Hours

Instant relief! Don't stay stuffed up! Quit blowing and snuffling! A dose of "Pape's Cold Compound" taken every two hours until three doses are taken usually breaks any cold right up. The very first dose opens clogged nostrils and the air passages of the head; stops nose running; relieves the headache, dullness, feverishness. "Pape's Cold Compound" costs only a few cents at drug stores. It acts without assistance, tastes nice, contains no quinine—insist upon Pape's.

WAKE UP, MAN

Tell us, are you advertising in the same old foolish way That your grand-dad did before you, And persist "it doesn't pay?"

Think the whole world knows your address "Cause it hasn't changed in years?" Wouldn't the paths of such logic Drive a billy goat to tears?

"Just a card" is all you care for Hidden, lonesome and unread Like the sign upon a tombstone Telling folks that you are dead.

Wake up, man, and take a tonic, Bunch your hits and make a drive, Run a page, and change your copy, ADVERTISE and keep alive! —Smith Center, Kans. Pioneer.
